

ANDA PERTH MONEY EXPO 2017

THE recently formed 2017 Australasian Numismatic Dealers Association Inc. (ANDA) Committee has not wasted any time in setting up an exciting program of Money Expo events for the coming year.

Kick-starting the Expo calendar is the Perth Money Expo on Saturday and Sunday February 11th and 12th at the Domain Stadium, Subiaco.

Flying a strong local flag, the Perth Mint will release their 2017 2oz Silver Proof Year of the Rooster coloured coin at the Expo. This coin comes from the Perth Mint's Australian Lunar Series. The accompanying certificate is officially numbered and features the ANDA Logo, the event (Perth Money Expo) and the date February 11 and 12.

As the Year of the Rooster 2oz Silver proof will be launched at the Expo, collectors can pick up the lowest of Certificate Numbers.

The 'Number One' 2017 Rooster coin can also be acquired by participating in ANDA's Silent Auction. (All proceeds go to ANDA.)

Western Australians just love their coins and there is always a healthy queue of enthusiastic collectors lining up ahead of the 10am door opening time to grab the lowest numbered product. Last year's Perth Expo coins, the 2016 'P' Privy Mark and the limited edition Year of the Monkey PNC were a complete sell-out.

In fact we note that the Perth Privy Mark \$1 coins are the most elusive out of the entire series. And that has been the case for both the 2015 and 2016 coins.

The Privy Mark \$1 coin series (P, B, M and S) has been so successful that the ANDA Committee is moving ahead with

dedicated packaging to house the four coins in one folder. Prototypes are shown on this page. The handsome folder will be available from all ANDA dealers. Advance orders can be placed at the Perth Money Expo ANDA Stand.

And the Five Cent Forage is back. Our special thanks to Perth Numismatic President Walter Bloom who came up with the concept, there will be 10,000 five cent pieces piled onto a table so that the kids (aged 5 to 15) can complete their five cent collections. ANDA is keen to encourage the collectors of the future.

At the conclusion of the Perth Expo, the ANDA team will be journeying to Brisbane to welcome Queenslanders at a new venue, the Royal International Convention Centre, Bowen Hills, on May 13th and 14th. The journey continues to Melbourne on September 2nd and 3rd at

the Melbourne Park Function Centre, Melbourne and Olympic Parks, right next to the famous Rod Laver Tennis Arena. The final stop for the year is at the Sydney Town Hall, October 14th and 15th.

The success of the Expos has definitely filtered through to overseas mints and international dealers. The Committee is currently holding discussions with the South African Mint (celebrating the 50th anniversary of the Krugerrand) about possible attendance in Melbourne 2017.

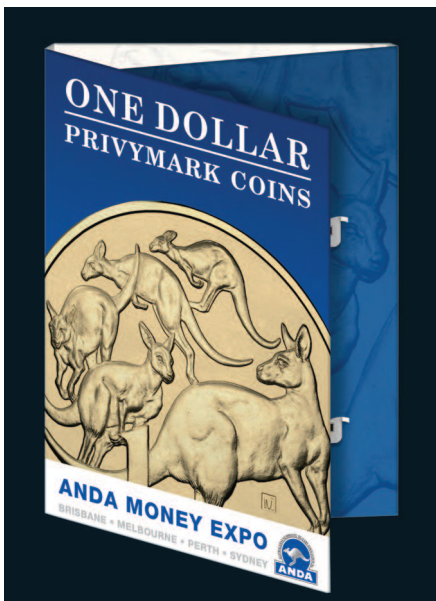

With the Perth Mint in attendance, at least 15 dealers and three major Auction Houses, we hope we have given you plenty of reasons to come and visit us at the Perth Money Expo.
